of  
Christiani & Nielsen (Thai) Public Company Limited**

---

The policy of the Board of The Stock Exchange of Thailand, dated 19th February 1999, relating to good practices for holding shareholders' meetings, establishes guidelines to be followed by listed companies to create confidence in shareholders, investors and all the relevant parties accordingly. In order to create transparency and fairness and to benefit the shareholders, Christiani & Nielsen (Thai) Public Company Limited (the "**Company**") requires inspection of documents and other evidence showing the identity of the shareholders or their representative entitled to attend the shareholders' meeting. This shall be observed by all shareholders.

- **Personal attendance at a meeting**

- To register attendance at a shareholders' meeting, a shareholder must show an original identification card or an original government official identification card or an original passport (if the shareholder is a foreigner).
- If there is a change in the name or the last name of any shareholder, such shareholder must provide evidence in relation to that change.

- **Appointment of the proxy holder**

- A shareholder can grant a proxy to only one person to attend and vote at the shareholders' meeting by using the attached proxy form. The number of shares held by a shareholder shall not be divided into several portions and granted to more than one proxy in order to divide the votes.
- A proxy granted for the appointment of directors may be made for any particular director(s) or for all directors to be elected.
- If there is any addition agenda other than specified above, it can be specified in the attachment to the proxy form (form B).
- A completed proxy form with the signature of the shareholder must be submitted to the chairman of the meeting or an authorized person prior to the meeting. If there is any material amendment or correction to the proxy form, a shareholder must countersign such amendment or correction. The proxy form must be affixed with a stamp duty of Baht 20.
- A proxy holder, particularly if the proxy holder is a foreign shareholder, should arrive promptly to register at the beginning of the registration period in order to allow sufficient time for inspection of the proxy form and the supporting documents.
